Recess is over.
...So it is.
Gazed at your sleeping visage.
I used this too.
What did you do while I was sleeping, Kanna?
It's not a nice habit to take photos without permission.
I will deal with them prudently.
...Will you really?

It's Igarashi-sempai.
She's really always walking around with Kusanagi-sempai in tow...
It seems that Kusanagi-sempai's family are retainers of Igarashi-sempai's family.
Why's that?
Such things really exist?
But to go that far even in school. Isn't it weird in this day and age?
Well then...

As usual, okay?
My next class is in the music room so let's split up here.
Yes... Hazuki-sama.

Hazuki-sama, you have something going on today?
Ah,
Ding
Dong
Yes.
Today I'm going for club activities until late, so you can go back first.
Self-practice?
Yes, a big competition is coming up.
Then, I shall wait for you.
Really? I'm sorry to bother you
I'll let you know as soon as I'm done.

...
...Kusanagi Kanna-san?
Yes?
Er.. Who are you?
...I've got something I want to talk to you about, sempai.

...
Kanna?
Fufu, you got tired of waiting?
Aren't you a naughty-
...
girl?

Hazuki-sama...
Eh?
What is it?
Shall we do it here today?
...Okay.
You'll satisfy me today too, won't you...
Kanna...

Yes...
...as you wish.
KISS
HAH...

Ah!
Hey, that's ...
That's ...
You like it when I'm rough with you, don't you, Hazuki-sama?
Hazuki-sama, does this feel good?
Nh...
Uwah You're silly...

...Nha ah...
Oh my.
You're pretty fast today
...I see.
It feels good because of this tight swimsuit, right?
How about this then?
Eek... No... nhh!

Ah!
... Kan... na...
Stop already.
That's right
It's about time I use my fingers, right?
Fufu, I can feel you so well through this tight fitting material.
Like here... It's swelling up, isn't it?
Ah, it's become a little hard.

Hazuki-sama...
Please put your hands against that wall over there.
Like, like this?
NO
Ah
Ah... You look so splendid, Hazuki-sama.
No one would ever think that you love to be treated so roughly, would they?
Ahh
NO

Your stretching me~
STOP
I'm the only one who knows this side of you, Hazuki-sama.
NO
NO
Ah, I'm cumming!
Hyah
Hazuki-sama..
You belong only to me, Hazuki-sama.
Ah Ah Ah Ah
And I'm all yours, Hazuki-sama.
...Nhhh!!

...Hey, something happened, right?
...I'm fine with it.
As long as you're with me, Kanna, I don't care what others think of me.
Fufu.
Because you're a beauty, Kanna.
...you're so much more beautiful, Hazuki-sama...
...so much... more...
...No, compared to you.

...I like you, Kusanagi-sempai.
...But I know you're in a relation-ship with Igarashi-sempai.
No.
I'm not in a relation-ship with Igarashi-sama.
Then, why did you do that?
...You kissed her, didn't you?
Honestly, if you're not a couple, it's really weird... It's obscene.
Even so, I have no intention of becoming intimate with anyone else.

.....
...Someone like you, Sempai... I guess you can't even become a lover
...Don't you know..
...I belong only to Hazuki-sama?

Afterword

*Hello, this is Oriko
It's been about a year since I did an original yuri work, so there's
a refreshing feeling. I thought of the cover illustration first,
so I just forced the pool in there. I want to improve.

*It might have been hard to understand, but in any case
I tried to use Kanna's choker and Hazuki's bracelet
to illustrate their servant and master relationship.
*Those who are wondering about the title, please try looking
up the symbolism of Jasmine flowers.
Because it doesn't have a really strong symbolism,
its meaning might not appear in some places, but...
Flowers sure are convenient when thinking about what to title a work. <-

*The next events I'm planning to take part in are Sunkuri 57 (Application complete),
Idol Survival 3, and C83. I'm sorry for saying that I was going to
take part in the Idol Garden event but ended up cheating everyone.
In any case, I'm planning to do a yuri Jougasaki sisters book.

*Well then, if there's another chance, I look forward to your support then~
